MAPLE LEAF DIAMONDS™

OUR JOURNEY

Maple Leaf Diamonds™ are mined in the pristine wilds of Canada's North. Such unique stones are formed deep within the heart of the Canadian north, emerging as beautiful, one of a kind treasures. As such, they are some of the most highly prized diamonds in the world.

An incredible journey of unequalled care and attention from the mine to the finger is an inspiring part of your love story. Just like the love you've discovered, Canadian Maple Leaf Diamonds™ and Canadian Certified Gold are a perfect match. It's 0.9999 purity is skillfully alloyed to ensure the perfect colour and karat adhering to the strictest global standards. Look for the Canadian Certified Gold insignia  stamped on the product, it's your assurance that only gold mined in Canada has been used in the creation of your jewellery.

150™ CUT

With almost three times as many facets as a traditional round ideal cut diamond, the One-Fifty™ Cut takes a highly skilled diamantaire three times longer to polish. This exacting process creates more brilliance, more contrast, more scintillation, and more fire in every One-Fifty™ Cut diamond. The One-Fifty™ diamond embodies the singular spirit of Canada and is a true Canadian treasure.

This exclusive patented cut diamond can be set in any round brilliant cut style.

ETERNAL FLAMES™

From that initial spark that you felt on your first date,
to that roaring fire that rages in your heart now,
the Eternal Flames Collection captures all those feelings.

The Seasons collection is inspired by the nature infused in our ever-changing Canadian landscape. Awakening delicate buds of spring, sparkling summer lakes, earthy autumn forest trails, followed faithfully each year by the winter beauty of gently falling snow.
